PROFILE

I have created and designed advertising for variety of clients from travel to eyewear. I have a strong agency background and I'm used to working with tight deadlines in a team atmosphere. My personal style involves the use of strong and often iconic images to drive the imagination and create interest in the product or service. I value the importance of a cohesive brand message. Experience with major national brands.

EMPLOYMENT**Whiterobin Design**, Pompano Beach (Freelance Design)

Art Director, Writer, Designer, working with local publications and clients on such projects as magazine layout, ad design, web design and email newsletters.

Leftfield Advertising, Fort Lauderdale

Art Director, Graphic Designer, Partner - Responsible for conception, writing, design and production of advertising including magazine and newspaper ads, brochures, direct mail and other collateral materials.
